2nd Annual Old Plank Road Trail Clean-Up

The Sustainable Living Group (SLG) lead members of the community in picking up litter along this beautiful recreational trail on Friday April 20th. A small but dedicated group of volunteers of all ages participated in the event for an excellent turnout. Volunteers worked together to pick up litter along sections of the trail from Sheboygan to Plymouth. The addition of a raffle to this year's event showcased great local businesses that practice sustainability and every volunteer left with a prize! After the hard work was done, everyone came together for refreshments, camaraderie and much celebration!

We would like to extend a special THANK YOU to everyone who provided donations for the event:
